

# Business Meetings and Seminars at Michael's

Business functions at Michael's can work off our standard Afternoon / Morning Banquet Menu or create their own personalized menu based on the following Seminar Menu offerings. Room rental charges, table and chair rentals, and AV equipment rentals may apply depending on your final room arrangements.

Room Rental charges will apply to events only ordering beverages and foods by the tray instead of a full meal or the Seminar Package. Room Rental charges will also apply to events requesting break out rooms or lunch in a separate room than the meeting room. Room Rentals vary from \$150-\$500 per room, ask a manager for a quote based on your event's needs.

For Business Meetings that will be 4 hours or less in duration, you may pay a room rental and simply order trays of food, or you can view our Value and Classic Buffet Menus in our Standard Menu.

For Business Meetings that will run longer than 4 hours we suggest our Seminar Packages:
