

Memorial Gatherings at Michael's

Michael's Catering and Banquets wishes to extend you three options for a post funeral, memorial gathering. You can simply rent a space and bring in your own snacks or non alcoholic drinks, you can rent a space and order limited snacks and drinks from us, or you can plan a full meal from us to avoid a room rental charge. Read on to learn more about each of these choices.

A. If you wish **to simply rent a space** you may do so. We do not require that you also order any food or drinks from us. You may bring in your own dessert items, snack or food trays, pizza... (restrictions apply) You may also bring in your own coffee or soft drinks... (no alcohol of any kind) In this instance you will be charged a small room rental and the room will be ready for you to set up and clean up all on your own. The room rental is a minimum of \$200.00 plus tax and will depend on your date, guest count, and needs. You may also order beer and wine or mixed drinks through us, see below.

B. If you **do not wish to have a full meal**, you can order simple snack trays and drinks from us and then pay a small room rental at a minimum of \$200.00 plus tax. We will then take care of set up and clean up of the room as well as the food and drinks, see D. below for food and beverage options.
